LUMEN Selectable

DESCRIPTION

VGW is a versatile surface mount LED wrap that is well suited for institutional and commercial applicattions including hospitals, school hallways, classrooms, offices and workshops. With three CCT options and three selectable wattage options this versatile surface mount wrap with a clean and sleek aesthetic fits well in many different applications. Up to 130 LPW this wrap is both pleasing to the eye as well as efficient. The diffuse translucent lens also reduces glare increasing visual comfort. At almost 10 inches wide this wrap will cover most existing legacy wrap footprints reducing labor associated with legacy wrap replacements.
